Subject: URGENT: Letter on Rosemont to FS

Claire and I had our biweekly update with Alexis and Deb. I updated her on Rosemont. She would like to see a draft letter that we would send to the Forest Service by COB tomorrow. As we have discussed, the letter would be very short and basically indicate that our major concerns have not been addressed. Perhaps it could also closely mirror the letter that Jason has been preparing to send to the Army Corp.

I have a call scheduled with Ted, Cal Joyner and Rob on Friday. I anticipate talking about what will or will not trigger any clocks. Alexis would like to review our draft letter and get an update from me on Friday – so that she can be prepared to potentially get a letter out quickly.

Thank you!
